

CAPE COD CANAL BILL IS CAUSE OF FILIBUSTER

House Emulates Senate on Wednesday by Starting One

(By The Associated Press)
WASHINGTON, Feb. 21.—Another filibuster was put under way today at the capitol, this one in the house. It was aimed primarily at the bill proposing government purchase of the Cape Cod Canal but other elements, including the refusal of the rules committee to give right of way to Henry Ford's offer for Muscle Shoals, were declared to have entered into it.

The conference report on the army appropriation bill which was taken up yesterday furnished the vehicle.

Consideration of it was concluded before adjournment, but not until there had been eight quorum calls which took up about half of the session of nearly six hours.

Majority leaders said the time spent by the house in disposing of this matter had threatened their legislative program for the remainder of this session of congress. It was their plan to bring up the Cape Cod bill tomorrow with a special rule, which they believed would stop the movement begun today after there had been several sharp conflicts over disputed sections of the army measure.

Strong opposition to the Cape Cod bill from both the Democratic and Republican sides was forecast, but under the rule it would be disposed of in a single day. It then would go to the senate and some of its opponents believed that there had been sufficient delay in its consideration by the house to make improbable senate action before March 4.

Ten Other Bills Reported
Aside from the Cape Cod measure the rules committee has voted out rules for ten other bills including the farm credits legislation. In addition the British debt settlement remains to be acted upon. The managers hope to carry out their program despite the two days spent on the army bill, but some night sessions are regarded as necessary if this is to be done.

Some of the more important measures which they hope to put through are the omnibus bill, the Mississippi river flood control bill, the measure for return of part of the property of enemy aliens seized during the war, and a number of relief measures from the military committee as well as the resolution authorizing government purchase and resale to the farmers of \$10,000,000 worth of Chilean nitrates and American manufactured calcium arsenate.

Chairman Campbell of the rules committee said farm credits legislation would displace anything on the house calendar on Saturday. The banking committee continued today the drafting of this measure which is to be based on the Capper bill with amendments and some provisions of the Lenroot-Anderson measure, both of which have been passed by the senate. Managers said they hoped to finance the work tomorrow and have the measure ready for consideration Saturday.

Leaders of the farm bloc are withholding the presentation of their petition for a party conference but they said it would be presented and the conference held should the committee fail to report a bill within a day or two.

THREE MORE PERSONS IDENTIFY NUDE BODY

(By The Associated Press)
CHICAGO, Feb. 21.—Three more persons today identified the body of the nude and mutilated man found ten days ago near Geneva, Illinois as that of Samuel Floyd Hawkins of Chicago. They were the second trio to do so to identify the man who the first trio was not so positive in its identification. Robert Hawkins of Kalamazoo, Mich., father of young Hawkins, arrived here tonight and will go to Geneva in an effort to determine whether the body is that of his son.

Acquaintances of Charles Lancaster, a Chicago garage employee who disappeared about ten days ago, were unable to identify the body as that of Lancaster.

MAN WHO SENT FIRST CABLEGRAM IS DEAD

Port Chester, N. Y., Feb. 21.—Captain Robert N. Smith, 82, who sent the first cablegram across the Atlantic in 1866 by Cyrus W. Field, who laid the cable, died today. As a military telegraph officer he served for a time as personal telegrapher for President Lincoln. He worked as a boy with Thomas A. Edison in Boston. For many years Captain Smith was chief operator for the Western Union.

FRENCH AND BELGIANS WILL JOIN RAILWAYS FOR GOOD SERVICE

Plan Was Decided Upon at Meeting of Premiers Yesterday

(By The Associated Press)
PARIS, Feb. 21.—The Ruhr and Rhineland railways are to be joined with improved military and civilian organization. This was decided upon today at a conference between Premier Theunis of Belgium and Premier Poincaré.

General DeGoutte will continue in control but the new administration will be directly under Franco-Belgian experts. It will begin to function as soon as the discussion between the French and British relative to the Cologne area are concluded. The effect of preventing Germany from securing Ruhr metallurgical products was discussed and it was pointed out that without the possibility of exporting such products Germany would find herself unable to obtain foreign money at least from that source.

The further point developed that with such stocks accumulating the allies were in a position to seize and sell them for their own profit as a reprisal for German resistance.

It was decided that in special cases export licenses might be granted for such products, and in any case, measures are to be taken to prevent neutral countries suffering on contracts previously made. A general plan was adopted for new currency in the occupied territories though this will not be issued unless Germany makes it obligatory by the withholding marks for current circulation. A plan was prepared for customs duties on commodities destined for Germany, and, finally, it was determined not to disturb the existing civil administration in the occupied territories.

RESTRAINS SALE OF STEEL AND TUBE CO.

(By The Associated Press)
WILMINGTON, Del., Feb. 21.—On a motion of the Allied Chemical Corporation of New York, Chancellor J. O. Wolcott in the court of chancery today granted a preliminary injunction restraining the Steel and Tube Co., of America from selling its assets to the Youngstown Sheet & Tube company of Youngstown, Ohio. The complainant holds about one third the stock of the Steel and Tube company which is insufficient to control a meeting of the stockholders and contends the sale would work a hardship.

The chancellor set the time for a further hearing on the injunction at March 15.

ANDERSON SUBPOENED BEFORE HIGH COURT
Albany, N. Y., Feb. 21.—A subpoena requiring his appearance in the supreme court here next Friday was served upon William H. Anderson, state superintendent of the Anti-Saloon League today.

THE DAY'S EVENTS IN WASHINGTON

Opponents of the shipping bill continued their filibuster against the measure as leaders maneuvered for a truce.

Representative Anderson, Republican, Minnesota, took issue with Secretary Mellon for criticizing the Lenroot-Anderson farm credits bill.

Gasoline production in the United States last year was placed by the geological survey at 6,292,234,613 gallons, more than 1,000,000,000 greater than the 1921 output.

The house by a 17 to 134 vote insisted on retention in the army bill of a provision prohibiting enlistment of boys less than 21 years old without written consent of parents or guardians.

The house was informed by Secretary Mellon it would be incompatible with public interests for him to furnish information as to the amount of liquor imported into this country by embassies and legations.

A resolution which would direct the federal trade committee to investigate the radio industry to determine whether the anti-trust laws are being investigated was reported by the house merchant marine committee.

Senator Caraway, Democrat, Arkansas, said he had been informed some of the twenty-eight bureau of engraving employees, dismissed nearly a year ago by order of President Harding had decided to bring suit against the president for defamation of character.

Secretary Weeks ordered an investigation of charges by Major General Cronkhite, retired, that important official documents dealing with the death of his son, Major A. P. Cronkhite, was was killed in 1918 at Camp Lewis, Washington, has been tampered with.

ARMY MEASURE IS SENT BACK TO CONFERENCE

Conferees Told to Insist on Most Controversial Provisions

(By The Associated Press)
WASHINGTON, Feb. 21.—The army appropriation bill was sent back to conference tonight by the house which instructed its conferees to insist on two of its most controversial provisions. One of these would deny retirement pay under certain conditions to army officers engaged in private business dealings with the government. The other would prohibit the enlistment in the army of boys less than 21 years old without the consent of their parents.

In insisting on the inclusion of a provision relating to retirement pay the house modified language which was stricken out in the senate. As originally drawn it would have denied such pay to any officer employed in private business which sold goods to the government. The name of Major General Harbord former deputy chief of staff, now head of a radio corporation was mentioned in the debate preceding its original adoption and Secretary Weeks criticized the action of the house which he said discriminated against a faithful and efficient officer.

As modified today the bill would deny retirement pay to any officer employed in private business as "sales or contracting agent or as manager or directing head of sales or contracting departments" for the purchase of supplies for the war department. It would withhold the pay of retired officers employed in any capacity by concerns "regularly or frequently" engaged in making direct sales of "any merchandise or material to the war department."

Many of those who favored the original language of the bill said the pay of Major General Harbord, whose corporation sold only a small amount of material to the government last year would not be affected under the language as finally drawn and Chairman Anthony of the appropriations subcommittee which has the bill in charge, said the majority opinion seemed to incline to that view.

MAY MAKE PROHIBITION ZONE ALONG BORDER

(By The Associated Press)
WASHINGTON, Feb. 21.—The Mexican government, according to advice received here is contemplating the adoption of a prohibition law directed against all alcoholic beverages within a zone fifty miles wide along the entire American border. It was said that an official announcement could be expected soon from Mexico City promulgating the new legislation.

GOV. SMALL GRANTS REPRIEVE TO SMITH

(By The Associated Press)
SPRINGFIELD, Ill., Feb. 21.—Governor Small tonight on recommendation of the division of pardons and paroles, granted James H. Smith, sentenced to hang for the murder of Frank G. Connell, a cigar store keeper, whom he and another man held up, Smith, pleaded guilty before Judge Marcus Kavanaugh. Smith's accomplice who also confessed and was given a life sentence in Joliet penitentiary. The 30 days stay was granted by the governor to permit Smith's attorneys to present additional evidence.

Telegrams received today from Chicago by Governor Small indicated that new evidence favoring Smith had been disclosed.

BODIES OF NEGROES TAKEN TO HOMES

Belleville, Ill., Feb. 21.—The bodies of Leroy Hollins and Ernest Williams, negroes who were hanged this morning for the murder of Alphonse DeLeon, a salesman, last October 19, were taken to their homes at East St. Louis, where funeral services will be held from a Catholic church. Williams went to the scaffold apparently unconcerned and smiling, but Hollins collapsed.

NORTHWESTERN OPERATING REVENUES

Chicago, Feb. 21.—Total operating revenues of the Chicago & Northwestern Railway for 1922 were \$146,199,436 as compared with \$144,775,475 in 1921 and operating expenses were \$119,191,134 as compared with \$129,091,427, a statement from the office of William H. Finley, president, today said.

Ask Over Million For The Attorney General

(By The Associated Press)
SPRINGFIELD, Ill., Feb. 21.—A recommendation that a bill appropriating \$1,037,240 to meet ordinary and contingent expenses of the attorney general's office until the first fiscal quarter after the adjournment of the next regular session of the next general assembly be passed was made by the house of representatives by the committee on appropriations tomorrow morning.

The bill was discussed by the committee this afternoon. The attorney general presenting his part covering a period of six years for the benefit of Representative Roe, Vandall, who opposed approval of the measure and asked for the payroll and expense statement. The measure was discussed yesterday but was held for final action until this afternoon. One change was made in the bill, \$50,000 being taken from one item listed and put under the heading of waterways, thus not affecting the total amount of the bill.

The senate committee on military affairs under the chairmanship of Senator Epler Mills, Virginia, reported three bills for passage. All will go to first reading in the session of Tuesday, March 6. The Dunlap state police bill was given a favorable report and the senate forces are prepared to stage a fight against its passage. It is reported that a bloc opposing the bill has mustered 26 votes and will have over 30 against the measure or enough to defeat it in the senate.

The bill when called last session received but 24 votes for passage. The remaining two bills favorably recommended included that of Senator Telford which would exempt all money received as a bonus for military or naval service from taxation, and Senator Turbough's bill repealing the act authorizing the formation of anti-Horse-Thief associations and dissolving companies incorporated under the act.

INVENTOR OF THE HELICOPTER MAY GET EDISON'S AID

(By The Associated Press)
DAYTON, O., Feb. 21.—Thomas A. Edison, world famous inventor and electrical wizard may aid Dr. George DeBothezat, builder of a helicopter, which during an experimental flight today at McCook field remained in the air for two minutes and 45 seconds and rose to a height of 15 feet, a world's record for this type of machine.

The fact that Mr. Edison had offered assistance became known shortly after the trial flight when Dr. DeBothezat received a letter from the inventor. It was said Mr. Edison might come to Dayton to assist in the experiments.

In today's trial flight Colonel Thurman H. Bane, former commander of McCook field was at the controls.

The new record considerable eclipses the flight made Dec. 18 of last year when Colonel Bane flew the helicopter one minute and 38 seconds at McCook field.

Dr. DeBothezat and Colonel Bane were jubilant over the helicopter's performance. Other tests will be made whenever the weather is favorable.

SUN YAT SEN RETURNS IN TRIUMPH

(By The Associated Press)
CANTON, Feb. 21.—Sun Yat-Sen, deposed president of South China who fled this city one night last June with the bullets of his victorious enemies whistling about his head, returned today in triumph. A military guard of Yunnanese troops stood at attention as he descended the gang plank of the steamer from Hong Kong. Representatives of the merchants' guilds and public bodies of the city crowded the dock to greet him. Prominent naval officials saluted him. Enthusiastic crowds lined the streets to cheer him as he drove to his former headquarters.

PROTEST CHANGE IN LIEN LAW

Chicago, Feb. 21.—A protest against the proposed change in the state lien law, now being considered by the state legislature was made today by James B. Weston, Chicago attorney in an address at the thirty-third annual convention of the Illinois Lumber Merchants' association.

"The lien law," he said, "is all right as it is. There is no need of a change. If any change is made it will seriously hamper the building industry."

HARRY K. THAW IN PITTSBURGH

Pittsburgh, Feb. 21.—Harry K. Thaw arrived here this afternoon for a stay of ten days at the home of his mother. He was brought from the Pennsylvania Hospital for Mental and Nervous Cases, where he had been for several years.

SECRETARY MELLON DECLINES TO GIVE OUT INFORMATION

Refuses Request for Amount of Liquors Embassies Import

(By The Associated Press)
WASHINGTON, Feb. 21.—Secretary Mellon declined today to furnish to the house of representatives information as to the amounts of intoxicating liquors imported by foreign embassies and legations in Washington since the prohibition amendment became effective on January 20, 1920.

The information was asked for in a resolution adopted by the house last Friday after the treasury secretary had refused to give similar data to the house judiciary committee.

The resolution was introduced by Representative Crampton, Republican, Michigan, "dry" leader who told the house that publication data would furnish one remedy for the "leakage" of embassy liquor charged by the Washington police after raids in several fashionable apartment houses.

In view of the principles applicable to international intercourse, said Mr. Mellon's letter to Speaker Gillette and the existing immunity to which diplomatic representatives of foreign governments are entitled under international law and other statutes, I am not in a position to transmit this information to the house for the reason that it would be incompatible with the public interest to furnish it.

Mr. Mellon's letter under date of yesterday was written after he had communicated with state department officials who took the view of the matter outlined by the treasury secretary in his communication to the house. Mr. Crampton said today he had no comment to make on the letter at this time, desiring first to give it "thorough consideration."

Specifically the Crampton resolution asked the secretary for the name and office of the consignee of each diplomatic liquor importation; the country to which he was accredited; the kind and quantity of liquor in the shipment; the place from which it was shipped; to whom it was delivered and the date of delivery.

SAYS CHORUS GIRL DOES NOT WORK

(By The Associated Press)
CHICAGO, Feb. 21.—Sunny Judge David ruled today that a chorus girl is not a working girl but a member of a profession in holding unconstitutional the Illinois so-called "extortion act." He directed a verdict of not guilty against Joseph Winkle, president of the Chicago Federation of Musicians who was charged with violating the law by a fine of \$250 imposed on Bert Earle manager of a theatrical company which played at a theater during a strike of musicians.

Judge David specifically held the law invalid because the title failed to tell the purpose of the act but attacked it verbally, declaring it granted immunity to certain organizations and slighted the individual. The girls did not appear to testify that they were working girls and the judge ruled against that contention in their absence.

DEPARTMENT STORE BURNS AT DANVILLE

(By The Associated Press)
DANVILLE, Ill., Feb. 21.—Driven by a stiff northwest wind, fire tonight consumed the four story Golden Rule Department Store, building and stock being a total loss, then attacked and gutted the building to the south containing the Webber & Turnell Drug store.

The champion fire department sent several pieces of apparatus here and helped subdue the blaze which at 8 p. m., appeared under control. The origin of the fire, which started on the fourth floor of the department store, is not known.

APPOINTED MANAGER AT MOOSEHEART

East Lansing, Mich., Feb. 21.—Homer W. McCoy of the Michigan Agricultural college has been appointed agricultural director and farm manager of Mooseheart, a community maintained by the Loyal Order of Moose in Illinois. McCoy has been at the college here since July, 1921, in charge of agricultural work among disabled service men.

SETTLEMENT OF BRITISH DEBT IS BIG STEP FORWARD

Schwab Says That it Will Have Far Reaching Effect

(By The Associated Press)
LONDON, Feb. 21.—Settlement of the British debt to America marks the greatest piece of constructive international achievement in modern history and inevitably will have a far reaching effect in stabilizing European economies declared Charles M. Schwab in a chat with American newspapermen this afternoon in the office of American Ambassador Harvey.

The straightforwardness which characterized the debt negotiations, he added, demonstrated what could be done with the German reparations problem, if only the statesmen would get together and deal with the matter along businesslike lines.

Emphasizing that he was speaking purely as a business man, Mr. Schwab briefly outlined a plan which in his opinion would solve the reparations trouble.

The first step would be the appointment of a small international commission of disinterested economic experts who would go into Germany and there determine what the country could pay.

That having been done there should be appointed a supervising commission to scrutinize the German government accounts, budgets, taxation, receipts and expenditures and see that a proper quota of the national expenditures was applied to liquidating the reparations.

Germany knowing definitely what she had to pay, could float an international loan which should be subscribed by all the nations to help stabilize her industry.

SECOND PANEL OF JURORS ACCEPTED BY BOTH SIDES

Predicted Entire Jury Will Be Selected By Saturday

(By The Associated Press)
MARION, Ill., Feb. 21.—The second panel of four jurors in the Herrin mine riots trial in progress here was accepted definitely by both the state and defense late this afternoon. This makes a total of eight jurors chosen.

Selection of two thirds of the jury has been made with such rapidity that attorneys and spectators expressed surprise and it was predicted tonight that the jury would be obtained by the end of this week or the first part of next week. It has required only nine days of examination of veniremen to choose the eight jurors, whereas more than four weeks were consumed in selecting the entire jury in the first trial. All of the jurors accepted today are farmers and one is a union coal miner. This makes two union men, a union painter and a union miner, five farmers and a chauffeur on the jury so far.

Those agreed upon today are Nathan Barnes, Henry Barum and T. J. Thromorton, farmers, and Malcolm Thromorton, farmer and miner.

It was pointed out that both sides are expediting selection of the jury and no time is being wasted in examination of veniremen.

SPAULDING IDENTIFIED BY PEORIA OFFICER

Teulon, Ill., Feb. 21.—Rolla Spaulding was seen with Johnny Schorr at 8:30 o'clock on the night of June 12, 1922, when the murder of Constable Arthur Smith, for which Spaulding is on trial, was committed in Peoria, according to testimony heard this afternoon.

Two Peoria policemen, Fred Locke and Harry Hamun, said that they saw Spaulding in an automobile with Schorr.

After the testimony of Locke, Spaulding's attorney stipulated with the state that Hamun should not testify, that his testimony was the same as that of Locke without repeating details.

QUINCY WOMAN RUN DOWN AND KILLED

Quincy, Ill., Feb. 21.—While crossing a street intersection this afternoon Laura Schutte, 35, was run down by Mrs. Laura Fichter, accompanied by Mrs. Bertha Ahearn. Miss Schutte was carried on the fender of the car to the curb and pinned against a fire hydrant. She died at the hospital an hour later. Mrs. Fichter and Mrs. Ahearn were badly cut by flying glass.

The shock of the accident has so affected Mrs. Fichter that she has entirely lost her speech, reports from the hospital say.

CUSTOMS RECEIPTS REACH NEW RECORD

New York, Feb. 21.—Customs receipts today set a new record when \$2,107,836 was collected in duties on \$8,000 worth of imported raw and finished products. It was the largest daily collection since the new tariff schedule became operative.

SECRET SERVICE MEN ROUNDED UP COUNTERFEITERS

Involved in International Plot Dumping Spurious Money

(By The Associated Press)
NEW YORK, Feb. 21.—Secret service operatives today rounded up 64 counterfeiters involved in a plot of international scope whereby between \$1,000,000 and \$2,000,000 in spurious money has been dumped into the trading marts of a score of nations. A nationwide hunt is being carried on for the capture of 1,000 members of the gang which maintained its headquarters in a basement in the Italian quarter of New York. Government operatives in Detroit, Chicago, San Francisco and other large cities, with the details of the elaborate plot, their fingerprints are prepared to raid counterfeiters' dens in the foreign quarters of their cities.

Police of South and Central America and western European nations have been informed of the haunts of the foreign agents of the gigantic crime ring.

The plot was bared after the capture last night of three men alleged by the authorities to be the leaders of an organization with international ramifications and the discovery of the printing presses which turned out hundreds of thousands of United States \$2, \$5, \$10 and \$20 bills. American silver quarters, gold pieces, Austrian kronen, Italian lire, internal revenue stamps and certificates, postage stamps, watermarked prohibition papers, whiskey and champagne bottle labels, and bogus drug and liquor permits.

Raids in Manhattan, Brooklyn, Long Island City and New Jersey, resulted in 18 arrests in 24 hours and ended successfully an eight months search for the international gang leaders Joseph A. Palma, chief of the special service squad of the internal department, announced. Thirty-six prisoners had been taken in secret raids during the past two weeks, bringing the total to 64.

The raided places were found, Palma said, stocked with bundles of \$10,000 in counterfeit American money, tens of thousands of dollars worth of postage stamps, whiskey labels, revenue stamps, bogus coins as well as piles of memoranda, press moulds and dies and engraving boards.

Twenty-four of yesterday's round-up victims were arraigned before Federal Commissioner Hitchcock today and held in bail ranging from \$2,500 to \$25,000. Three were sent to Newark for arraignment.

The counterfeiters, Palma asserted, were closely associated with traffickers in drugs and illicit rum. They bought huge quantities of drugs and liquor from smugglers and resold the contraband in American cities while they paid the smugglers with the counterfeit money.

The headquarters and manufacturing plant of the gang, Palma asserted, was in a basement at 26 Cornell street in the heart of Greenwich Village. There were seven wholesale distributing agencies in New York City and surrounding territory, the principle one in Broom street a stone's throw from police headquarters.

NEGRESS CONFESSES TO FIRING HOUSE

(By The Associated Press)
ATLANTA, Ga., Feb. 21.—Dimpie Nix, negress, tonight made a complete confession, according to the Atlanta police, of setting fire to the home of John M. McDowell, at Deatur, yesterday morning, resulting in the deaths of Marion and Willie Maten McDowell, 17 and 15, respectively.

Revenge for her discharge by Mrs. McDowell was given by the negress as her reason for applying the torch, the police said.

The negress, the police said, implied her husband, John Nix, and other negroes as having applied the torch. She said her husband formulated the plan when he learned that the McDowells had discharged her.

shipping out and selling grain during the very period in which they were receiving big supplies as the contribution of America to the starving. It is the estimate of the Illinois coal operators that it will cost a million and a half dollars to secure all the data that the U. S. coal commission desires and needs for the study of the coal producing industry in Illinois.

Certainly a most far-reaching inquiry must be proposed. Incidentally the consumers next winter will have the pleasure of providing—or rather repaying the million and a half fund.

In Decatur there are more than fifteen candidates seeking the office of commissioner and several are aspirants for the mayoralty nomination.

Here in Jacksonville Mayor Crabtree can count it a decided compliment that after his petition for mayor was filed by some of his friends, that no opposing candidate appeared. This would not be much of a compliment for a first term, but when it comes to a third term it is altogether a different matter.

A bill has been introduced in the Illinois legislature providing that a person who drives an automobile while intoxicated is subject to from one to four years imprisonment. The measure also provides a reward of \$100 for any person giving information leading to the arrest of an intoxicated car driver.

A law of this kind put into effect will help materially in curbing the joy riders.

Down in Cairo, Ill., they are fighting the Illinois Central railroad because of a projected cut-off which will materially reduce the mileage between certain important points, and so cut freight costs.

Fighting a railroad is seldom beneficial to a city's interests, and Cairo should look at the proposed in a broad way rather than taking into account its own immediate welfare.

The pacifists must have control of the Wisconsin legislature for a measure was recently passed there which proposes the abolishment of the national guard. In this state the national guard is looked upon as a real bulwark of defense, an organization which when merely in a passive state prevents a great deal of lawlessness.

UNDER OUR NOSES.

NEA.

When Abraham Lincoln finished delivering his Gettysburg address no one applauded. The 20,000 in his audience merely exclaimed: "Oh!—in surprise at the brevity of his speech. Accustomed to political orations, they had settled themselves for an uncomfortable long-winded talk.

Such is the recollection of Mrs. Rebecca C. D. Long of Somerville, Mass. She was raised in Gettysburg, and heard Lincoln's famous address when she was 21.

None in Lincoln's audience realized at the time that he was hearing an immortal piece of oratory and probably the finest composition ever penned in the English language, according to many competent critics.

It takes the perspective of time to distinguish the truly great from the mediocre or near great. Most of the really great people and events of our generation are not getting much attention. Later generations will appreciate them at their full worth and will assign them their rightful places in history.

The Wright Brothers' first flight in an airplane will be remembered as long as the world war, possibly longer, on into time until their exploit becomes legendary and distorted.

Their invention, which enables man to move in the air instead of confined to the earth's surface, is a gigantic step forward in evolution, the same as the first fish that grew fins into flappers or crude legs so it could crawl on land, or fins into wings so it became a bird.

Yes, it takes the perspective of time to distinguish real greatness. That's why so few of the great get recognition until long after they're dead.

Let's continue Mrs. Long's story—and from philosophy turn to something ridiculously ironical, yet too pathetic to laugh at. Mrs. Long recalls: "In the front of the great stand were 20,000 men, women and children. Edward Everett, who was the spokesman of that occasion, delivered an oration of two hours' length.

After this long introductory 'trade, Abraham Lincoln rose slowly to his feet—and said his 'yes' in 266 words, the immortal Gettysburg address.

Isn't that human nature for you, that long introduction by the chairman? And, no doubt, when he got home he confided to his family that he made the better speech of the two. Well, possibly he did, at that, though the odds are heavily against it, especially since great thought never hides itself in a snowstorm of words.

THURSDAY Accepting the Call to Service.

"And those are they such as hear the word... and accept it and bear fruit." Mark 4:20.

Read Mark 4:1-20. "Christian men and women are filled with energy, but in many cases the energy turns no wheels."

MEDITATION: Thought precedes any successful undertaking, whether it is building a house or a life. Good impulses die if they do not develop in the soul of thoughtful attention. No truth is ours until we have heard it, accepted it and put it into practice.

HYMN: Christian, rise, and act thy creed, Let thy prayer be in thy deed; Seek the right, perform the true, Raise thy work and life anew.

PRAYER: We give thee thanks, O Lord, for the work to which thou hast called us, and for our fellowship, in that work, with all those who are devoting to it time, thought, life, prayer and money. We offer ourselves anew for this service, and ask the blessing upon all who are engaged in it and upon all for whose benefit it is undertaken. Amen.

Start day with GONZ Coffee.

M'CURLEY SALE IS HELD WEDNESDAY

Farm Stock and Implements Sold at Good Prices—Corn Brings 74 Cents A Bushel—Hogs Bring \$0 to \$30 Each.

A sale of stock and farm implements was held Wednesday at the residence of Frank McCurley on the Allen farm three miles east of the city. Only a small amount of goods was disposed of, and the total proceeds amounted to about \$1,000.

Guy Rock bought a quantity of corn at 74 cents per bushel, also a stack of sheep oats at 45 cents per bushel.

The stock of hogs, consisting of sows and shoats, sold from \$9 to \$30 each. The farm tools sold at a good price.

The sale drew a good crowd. J. L. Henry served as auctioneer and H. C. Clement as clerk.

ALEXANDER

Miss Mary Reed of Bates were visiting at the home of F. J. Kaiser and family in Alexander Wednesday.

William Cockin of Jacksonville was in Alexander on business on Wednesday.

Miss Kathleen Luby of Springfield is visiting friends near Alexander.

Mrs. M. B. Keplinger entertained a limited company of friends Wednesday afternoon at her home in Franklin. It was a "thimble" party and each guest brought her sewing with her. However, the entire afternoon was not given over to work. There were various contests and each guest read a humorous story of her own selection. The result was a very entertaining program. Prizes in one contest were won by Mrs. J. L. Seymour and Mrs. J. E. Sinclair. In another contest Mrs. P. T. Miller and Mrs. W. E. Douglas tied for first prize, while the consolation prize went to Mrs. Ernest Dahman.

An elegant luncheon was served by the hostess in the course of the afternoon, the color scheme in the decorations and the luncheon being in keeping with Washington's birthday.

MARRIAGES

Poster-Kenyon D. N. Poster and Miss Lena C. Kenyon, both of Jacksonville were united in marriage at 10:30 o'clock Wednesday morning by Rev. C. D. Robertson at his residence. They were unattended. Mr. Poster is a farmer residing three miles northeast of the city.

TO BRING RACERS HERE

George N. Woods of Franklin is one of the many trainers of race horses who is planning to bring a string to this city in the early spring. He was in the city recently looking for a location, and expects to train his horses on the track at the fair grounds. He has some good material, which he expects will develop into fast horses.

INSTALLS RADIO

Lloyd Shepard, residing three miles south of the city, has had a high power radio receiving set installed at his home. He has heard stations at New York City, Montreal and etc.

DEATHS

Buckeye Death came at an early hour Wednesday morning to John T. Buckeye at his home, 423 West Walnut street. The deceased had been ill for a period of months and his death was not unexpected.

Mr. Buckeye, who was familiarly known as "Nick," was born in Germany but came to America and Jacksonville many years ago. His years of active work were given largely to the culture of flowers and for a number of years he operated a small greenhouse at his home.

Mr. Buckeye was quite widely known and those who became intimate with him could not but admire his many sterling qualities. The deceased leaves besides his wife, one son, William Buckeye.

Mrs. Buckeye has also been ill for a number of months and is now at a hospital for treatment. The remains were taken to the Reynolds Mortuary and arrangements will be made later.

Winchester, Feb. 21—The general assembly of the Woman's club met at the community high school Monday afternoon and was quite largely attended. The election of officers for the coming year was held and the following were chosen:

President—Mrs. Fritz Haskell. Vice President—Miss Louise Frost.

Recording secretary—Miss Bertha Miller. Corresponding secretary—Mrs. David Hainforth.

Treasurer—Mrs. Clarence Fox. During the business session a letter was read from Howard Miller of Rochester, N. Y., a former resident of Winchester, asking the club to aid in a contest which is being held in various localities. Prizes of \$25 are to be offered in Scott county for the best historical essays to be written by High school pupils. The club voted in favor of accepting the offer.

After the business session came a social hour, during which there were some interesting contests conducted by Mrs. W. D. Gibbs.

News Notes Peter Townsend held a sale Wednesday afternoon at his farm south of town, disposing of livestock, feed and implements. Mr. and Mrs. Townsend expect to move to Winchester in the course of a few weeks.

A tea is to be given at the home of Mrs. Edward Smith on Thursday, February 27, for the Woman's club members and the community as a whole. The donations will go toward the stage fittings fund for the new community high school auditorium.

A box is to be placed in the Higgins Book store next Monday, Feb. 26, for the Near East relief offerings of the Woman's club members. Donations will be received there for a two weeks' period.

Word has been received from Judge J. A. McKean and wife of their safe arrival in Riverside, Calif., where they were called by the illness of Judge McKean's nephew, Murrel Reed. The young man passed away shortly after their arrival. Many local people will be sorry to learn of Mr. Reed's death, as he had visited here several times and was known to a number of Winchester residents.

PUBLIC MEETING

In Colton's hall, Woodson hall, Friday 7:30 p. m., to discuss building of new school house. J. K. C. Pierson and H. H. Vasconcellos of Jacksonville will be present.

WILL GIVE RECITAL HERE FRIDAY EVENING

MRS. J. T. GUNN TO
MAKE WESTERN TRIP

Will Leave Tonight For Extended
Stay at Corvallis, Ore.—Will
Visit at Various Points Enroute

Mrs. J. T. Gunn of west of the
city will leave tonight for an ex-
tended visit in Corvallis, Ore., and
at various other points. In Cor-
vallis she will visit her son, Reuben
V. Gunn, who is a member of the
faculty of Oregon college there.
Mr. Gunn was a student at
Illinois college in this city, later
enrolling at the university at
Madison, Wis. Subsequent to his
graduation from the latter in-
stitution he taught there for two
or three years and then went to
Oregon to take up his present work
in the agricultural department of
Oregon state college.

Mrs. Gunn has not seen her
son for two years past and is look-
ing forward with great pleasure
to her visit with him. He visited
this city two years ago enroute
to Washington, where he repre-
sented his college at an agricul-
tural conference.

On her way to Oregon Mrs.
Gunn will visit her uncle, T. T.
Daniels, at Wichita, Kans. Mr.
Daniels was a resident of this city
many years ago and will be re-
membered by many of the older
residents. Mrs. Gunn will also
spend some time at the home of
her brother, Martin A. Daniels, at
Colorado Springs, and later will
visit at the home of A. F. Spencer
in Pueblo, Colo. Mr. Spencer was
a student at Illinois college here
for a time and is known to a
number of Jacksonville people.

Mrs. Gunn has for some time
taught the Hustlers class in West-
minster Sunday school, and yester-
day the boys who belong to the
class went in delegation to her
home bearing a gift in token of
their esteem. During Mrs. Gunn's
absence the class will be taught
by J. H. Barnes of the high school
faculty.

COON RUN JURORS
HELD CONFERENCE

The jurors who are serving in
the Coon Run Drainage case held
a conference in the circuit court
room Wednesday with reference
to the case. At this time the
jurors expressed their opinions
relative to the lands of the dis-
trict which they inspected on
Tuesday.

The jurors personally viewed
each one of the tracts included in
the district and which it is pro-
posed to benefit by the improve-
ments. The jurors exchanged
views and examined plats of the
land. It is possible that another
inspection trip may be made be-
fore a final agreement is reached
and a verdict returned.

LITERARY SOCIETY
PLANS ALL DAY MEETING

The Clio Circle of the Liter-
ary Christian church will hold
an all day meeting at the home of
Mrs. Neal Sorrells Friday. It is
planned to spend the greater part
of the day tacking comforts,
which will be sold at some later
date. Each member is to bring
something for the dinner which
will be served at noon, and it is
expected that a very enjoyable
day will be spent.

COURT HOUSE WILL
BE CLOSED TODAY

On account of Washington's
Birthday, a national holiday, the
Morgan county court house will
be closed all day Thursday.

Lawn, the finest quality of linen, is
so called because it was originally
bleached on a lawn instead of the
usual drying ground.

SIMPLY? WELL, DON'T BE

People Notice It. Drive Them
Off with Dr. Edwards'
Olive Tablets

A pimply face will not embarrass you
anymore if you get a package of
Dr. Edwards' Olive Tablets. The skin
could begin to clear after you have
taken the tablets a few nights.

Cleanse the blood, bowels and liver
with Dr. Edwards' Olive Tablets, the
accessory substitute for calomel; there's
no sickness or pain after taking them.
Dr. Edwards' Olive Tablets do that
which calomel does, and just as effec-
tively, but their action is gentle and
not instead of severe and irritating.

No one who takes Olive Tablets is
ever cursed with a "dark brown taste,"
bad breath, a dull, listless, "no good"
feeling, constipation, torpid liver, bad
digestion or pimply face.

Olive Tablets are a purely vegetable
compound mixed with olive oil; you
all know them by their olive color.

Dr. Edwards spent years among pa-
tients afflicted with liver and bowel
complaints and Olive Tablets are the
immensely effective result. Take one or
two nightly for a week. See how much
better you feel and look. 15c and 30c.

CRUDE OIL STORING
IS LARGE PROBLEM

HOUSTON, TEXAS.—The re-
cent \$1,000,000 fire at the Gulf
Pipe Line Company tank farm at
Humble, 17 miles northeast of
Houston, in which 750,000 barrels
of heavy gravity crude were con-
sumed has revived discussion of
the costal method of storing
crude oil in Earthen reservoirs,
a practice followed quite gen-
erally by oil companies producing
and storing Gulf Coast crude.

Lighting, which caused the last
great fire here, seems to show no
preference in striking either ear-
then or steel tanks. Still, steel
tank construction has reached a
stage where by packing excelsior
loosely in the vent at the top of
the tank and thereby affording an
egress for the gasses but prevent-
ing oil tank fires and consequent
heavy financial losses. However,
this latter means is still in the ex-
perimental stage and the oil trade
seems inclined to wait for a thor-
ough test before investing heavily
in steel storage tank construction.

Earthen reservoirs range all
the way from 100,000 to 500,000
barrels capacity. Costal heavy
gravity oil, rich in lubricating
content, usually contains little
gasoline and the evaporation
therefrom is almost negligible.
Neither does it filter through the
earthen levees thrown up by scrap-
ers and shovels nor penetrate
deep into the bottom of the reser-
voirs.

These earthen tanks are cov-
ered with a board roof and tar
paper. In the bottom of the re-
servoir a pipe is inserted, con-
nected with a gate valve off to
one side of the tank. In case of
fire this valve is opened and the
pumps started to removing the oil
on the bottom of the reservoir. In
this way much of the oil is
saved by pumping from the bot-
tom while it is burning at the
top. The one great danger is that
water on the bottom will boil,
which throws the burning oil
over the embankments. It runs
rapidly and thus there is danger
of communicating the flames to
adjoining tanks.

The economy of construction,
has an appeal in the use of earthen
reservoirs. One 500,000 barrel
earthen reservoir can be erected for
the approximate cost of one
55,000-barrel steel storage tank,
and will hold as much oil as nine
steel 55's.

MANY WORKING DAYS
LOST THRU DISPUTES

LONDON.—The industrial re-
cord of 1922 has been disastrous
for employment and workers
generally, according to labor
commentators, who declare that
during the year reductions in
wages totalled \$5,000,000 pounds
sterling a week, and affected
7,500,000 work people. This
followed a fall of 7,600,000 pound
sterling in 1921, and it shows a
severe cut in the incomes and the
spending power of workers. To it
should be added the loss involved
by unemployment and under-
employment.

Some 19,893,000 days were lost
in the course of 535 disputes in-
volving 552,000 workpeople. The
engineering and shipbuilding in-
dustries were responsible for
over 17,000,000 of those lost
days.

Unemployment figures are de-
scribed as representing "an enor-
mous waste of skilled, trained,
human power in productive cap-
acity, but is noted that the latest
figures show some improvement
from the worst. In January 1922
1,325,450 persons were employed,
the figures gradually decreased to
1,412,527 in October, but they
rose to 1,454,356 in November.
The cost of living, which started
the year 92 percent above normal
was down to 78 percent in Octo-
ber, but rose to 89 percent at the
end of the year.

CHANGE OF CHINA'S
CAPITAL ADVOCATED

PEKING.—(By the Associated
Press).—A recent declaration by
Dr. Sun Yat-sen that the geo-
graphical location of Peking un-
fits it as the capital city of a pro-
gressive nation has prompted
many localities to claim the hon-
or. Hankow, 600 miles up the
Yangtze river, presses its claim
on the ground that it lies in the
center of a rich agricultural and
manufacturing district, which
probably will be improved in the
near future by the extension of a
railroad in Szechwan.

Hankow's citizens advance a
sentimental argument that it was
in their city that the 1911 rev-
olution began, which resulted in
the establishment of the Chinese
republic.

Nanking, said to be favored by
Dr. Sun, has been the capital of
China numerous times. Its name,
translated, means southern cap-
ital, as opposed to Peking, north-
ern capital. Nanking was the
seat of government of six dynas-
ties between the fourth and sixth
centuries and was made the
capital under the Ming in the
fourteenth century. In 1911, the
city was taken by the revolution-
aries, who established the provi-
sional government with Dr. Sun
as president.

Another claimant is Haichow,
110 miles south of Shanghai. It
was the capital of one of the Sung
emperors who chose it because of
its scenic splendor.

Those who urge changing the
capital, argue that Peking is too
far removed from the rest of the
country, having long been re-
tained merely to please the Man-
chus. They say that if China is
to be united politically it must
have a capital more accessible to
the whole country, and, in-
cidentally, free from the terrible
dust storms which, at certain sea-
sons, blow in from the Gobi de-
sert. It is admitted, however, that
China, in view of its more press-
ing problems, probably will not
make a change in the near future.

MANY TO OBSERVE
HOSPITAL DAY

Chicago.—Plans of 5,000 hos-
pitals throught the United States
and Canada to observe third an-
nual National Hospital Day on
May 12, will be directed this year
by E. S. Gilmore, superintendent

MEN OF WHITE HALL
CHURCH HAD BANQUET

Monthly Dinner of Presbyterian
Brotherhood Held Tuesday
Evening—Several Speakers on
Program.

White Hall, Feb. 21.—The
spirit of progress cropped out for-
tably in connection with the
monthly dinner of the Brother-
hood in the Presbyterian church
Tuesday evening, at which the
speaker of the evening was Hon.
Grant Foreman of Muskogee,
Okla., whose account of his tour
of the world proved to be a rare
treat to his listeners. There were
eighty plates, and the president
and toastmaster was E. C. Pearce.
On the speakers' stand were Dr.
A. W. Foreman, father of the
speaker; Rev. L. E. Ellison, Rev.
Charles A. Ross, William F.
Houchin and J. D. Rowe.

Attorney Foreman's recital of
his travels was received with in-
tense interest, and then I. F.
Deins of Monmouth, president of
the Western Stoneware Co., mad
remarks in connection of the spir-
it of White Hall in securing the
location of the garment industry
on the property that formerly be-
longed to his company.

He stated that he had received
propositions that were better
than the one from the citizens of
White Hall, but that he was han-
ry that he could deliver the deed
to the old eyesore in a way that
would insure the improvement of
that section of the city. William
F. Houchin, proprietor of the gar-
ment factory, remarked that he
would reserve his speech for a
later date.

Here For You For Little Money

Oftentimes something higher and finer enters into business than mere price quotation and quality comparison.

In tailoring it is the little things in the way of care in taking your measure-
ments, care in cutting your pattern and then the cloth that each piece will go
together properly and hang well, care in the 'final try-on,' and finally the ut-
most care in the tailoring itself.

All these things we give you, including choice of up-to-date serviceable
weaves, at a price—at a price you will be willing to pay for good garments.

GEORGE HUFF TO TALK TO I. S. D. BOYS
Noted Athletic Directors of University to Talk at Banquet—Date is Set for March 23.
George Huff, director of athletics at University of Illinois and one of the most noted men in college athletics in the country will make an address at the annual banquet for the Football and Basketball squads of the Illinois School for the Deaf to be held March 23.
Mr. Huff is a graduate of the University of Illinois where he was a star athlete in the early '90's as a member of the football and basketball teams. He is credited with developing probably the greatest college basketball team that ever stepped on a diamond and has sent many players to the major leagues.
In the days of the great Chicago Cub machine Huff acted as scout for the team and picked up some great players. While acting in that capacity Mr. Huff visited Jacksonville in the days of the old Kitty league and gave Hub Purdue the once over and recommended him to the Cubs. Purdue went up to the big time and remained there for some time as a member of various National league teams.
Coach Robey Burns received the following letter yesterday from Mr. Huff accepting the invitation to speak here:
University of Illinois, 201 Men's Gym, Feb. 19
Mr. S. Robey Burns,
Athletic Coach, Illinois School for the Deaf,
Dear Mr. Burns:
I am in receipt of your invitation to speak at your banquet on March 23, and appreciate the invitation very much, indeed. Because of the lack of time I have been necessary for me to decline quite a number of similar invitations, but I am going to make an exception in this case and accept because I am so much interested in the work that you are doing in the Illinois School for the Deaf. I will write you later as to the time of my arrival.
With best regards I am very truly yours,
GEORGE HUFF,
Director of Athletics, U. of I.

INDIANS GIVE M'INNIS RELEASE
CLEVELAND, O. Feb. 21.—The unconditional release of John P. (Stuffy) McInnis, veteran American League first baseman was announced tonight by the Cleveland Baseball Club, waivers having been obtained several days ago. McInnis probably will go to the Boston Braves. It is understood that the National Club has made McInnis an offer but that the veteran has not accepted. With the release of McInnis the Indians have Frank Brower, recently acquired from Washington and Louis Guisto available for the initial sack.

IMPROVEMENTS AT SOUTH SIDE PARK
Manager Frank Smith announced yesterday that plans are being made for extensive improvements to be made at South Side baseball park before the opening of the season.
The stands and gateway will be moved about 400 feet south and the new diamond will be laid out after grading has been done. It is planned to open the season April 29.

ROUTT TRIMS NEW BERLIN HIGH 25-13
Get Revenge for Defeat Administered by Visitors Early in the Season—Routt Displays Good Team Work
Routt high defeated New Berlin high in Liberty hall Wednesday night by a score of 25 to 13. The game was fast and both teams worked at top speed throughout.
The visitors defeated Routt on the New Berlin floor early in the season but last night Routt showed that she clearly outclassed her opponents on a regulation floor.
Routt displayed excellent team work on the offense, always feeding the ball to the man at the basket with the result that the points were pretty evenly divided among the forwards and the center. The local toasters also played a good defensive game, New Berlin finding it difficult to get by Gebert and Doyle.
New Berlin did her best but it was not good enough to defeat Routt. Milby was high point man for the visitors, scoring nine points.
The score:

DICK KERR SOLD TO SIMMONS TEAM
CHICAGO, Feb. 21.—Dick Kerr, the left-handed pitcher, who quit the Chicago White Sox for a semi-pro job last spring today was sold to the Simmons team of Kenosha a member of the Mid-West Baseball League launched recently by three former franchise holders in the Chicago Mid West Baseball association. The sale price was not announced.
Kerr was purchased from George Carlson, who last season directed the Famous Chicagoans, and who was responsible for offering Kerr sufficient inducement to forsake his major league rank. Kerr's sale is the result of Carlson's decision to withdraw from the semi-pro field.

YANKEE FIVE LOST IN CLOSE GAME 24-20
Met Defeat at Hands of American Legion Team of New Berlin—Yankees Led at First Quarter 10 to 3.
The Jacksonville Yankee Five was defeated at New Berlin Wednesday evening in a very hard fought game, by a score of 24 to 20.
The game from start to finish was very exciting and had the Yankees been more accurate in their shots would have easily defeated their opponents as the Yankees had many more shots than New Berlin.
In the first quarter the Yankees led 10 to 3, but New Berlin came back in the second quarter with several baskets from the center of the floor and at the half way mark the score stood 11 to 10 in favor of New Berlin.
McGhee led both teams in total points and his stellar work coupled with that of Murgatroyd and Savage on the offensive kept the New Berlin team guessing. At guard Cooney and Pulaski did some fine work. In the last quarter Cooney shot two from the center of the floor.
For New Berlin Beers and Kumble did the best work and it was thru their accurate shooting that they were able to win.
New Berlin has a very fast team and just recently defeated two of Jacksonville's best independent teams. In the game last night the Yankees were somewhat handicapped by a small floor.
The score:

Suffering has gone from your face, mother!

S.S.S. is the Great Builder of Red Blood-Cells and Rheumatism Must Go Just Try It!
"Rheumatism? No? No, indeed, it's all gone, every bit of it! It's sunshine and joy for me now for the first time in years. I feel a wonderful glow again in the face motion I used to have when my days were young. I look at my hands and think of the twinges and aches they used to have. I bend way over to the floor. I haven't been able to do that in many years. I can thank S. S. S. for it all. It's me it was a rising sun of joy and liberty. Brothers and sisters in misery, do not close your eyes and think that health, free motion and strength are gone from you forever! It is not so. It is here and now for all of you. S. S. S. is waiting to help you. There is a reason why S. S. S. will help you. When you increase the number of your red-blood cells, the entire system undergoes a tremendous change. Everything depends on blood-strengthening. Blood which is minus efficient red cells leads to a long list of troubles. Rheumatism is one of them. S. S. S. is the great blood-cleanser, blood-builder, system strengthener, nerve invigorator. It stops skin eruptions, too, pimples, blackheads, acne, eczema. It builds up run down, thin men and women, beautifies complexion, makes the flesh firm. S. S. S. today. It is sold at all drug stores in two sizes. The larger bottle is the more economical.

Social Events

Open Meeting of Bridge Club

The Thursday Bridge Club members are entertaining at an open meeting this afternoon at the Tea Tray on West State street. The hostesses for the afternoon are Mrs. L. F. Randall, Miss Anne Hodgson, Mrs. Keith Montgomery and Mrs. E. H. Gray. Each member of the club has invited a guest and there will be six tables made up for bridge. The affair is a Washington's birthday party and tiny cherry trees, hatches, flags and flowers will be used in attractive decorations. At the close of the cards an afternoon luncheon will be served.

Will Entertain Club

Mrs. Charles Cully of 332 South East street is entertaining the members of the Past Noble Grand Club of Rebekah Lodge No. 13 this evening at her home. This is one of the regular social meetings of the club and after the business session the evening will be spent with stunts and music. A special feature of the evening will be a parcel post sale. The affair will be in the nature of a Washington's birthday party and the hostess has planned attractive favors and decorations. The dainty refreshments which will be served, are also to carry out the Washington birthday idea.

Baptist Union Met

The Woman's Union of the First Baptist church met yesterday afternoon at the church. The business meeting was presided over by the president, Mrs. Jeanette Ogden and this was followed by the program in charge of Mrs. T. O. Hardesty. The general subject of the program was "India" and Miss E. L. Massey spoke on the topic "Pundita Rambai." Mrs. Viola Poague gave a reading, "The Story of Shantia," and Miss Elizabeth Laurie took as the subject of her reading "Surgana." A pleasant social hour followed the program, and Mrs. W. H. Wiseman, the hostess, served attractive refreshments.

Birthday Party Today

The Woman's Foreign Missionary Society of Grace church is having a birthday party this afternoon at the home of Mrs. J. A. Vollrath, at 1144 South Main street. The hostesses are those whose birthdays occur in January, February and March, and include the following: Mrs. J. A. Vollrath, Mrs. H. L. Griswold, Mrs. T. H. Tull, Mrs. James Graham, Mrs. Stella Mahon, Mrs. Herbert Capps, Mrs. Charles Hopper, Mrs. Harry Sperry, Mrs. Straight, Miss Lucille Straight, Mrs. Wilbur Johnson, Mrs. Amelia Nohold, Mrs. William Hall, Mrs. Sarah Groves, Mrs. John Berry, and Mrs. W. F. Brown.

The affair is to be a Washington's birthday party and a number of the hostesses are to dress in pretty colonial costumes. An attractive program of music and readings has been planned including a duet by Frances Cody and Barbara Kennedy. The girls will be dressed in Martha Washington costumes and everything is being planned to make this a most picturesque and enjoyable function. The refreshments which will be served during the afternoon are also to carry out the Washington birthday note.

Surprise Party for Miss Gustafson

A surprise party was given Wednesday evening by Miss Helen Whitmer at the home of her aunt, Mrs. C. M. Hopper in honor of Miss Irene Gustafson who is to leave next month to enter the Presbyterian hospital for nurses at Chicago. The evening was spent in games and at a late hour refreshments were served.

Entertain at Luncheon

Mrs. J. W. Botkin and Mrs. Maude Botkin Strang were

hostesses at a small luncheon given yesterday at their home on North Church street. The guests included Dr. and Mrs. J. R. Harker and Miss Winnifred Wackerle of the Woman's college. A delicious one o'clock luncheon menu was served and the affair was most delightful in every way.

Hostess to Wednesday Class

Mrs. U. G. Woodman was hostess to the members of the Wednesday Class yesterday afternoon at her home in West State street. The program of the afternoon was in charge of Mrs. Miller Weir who gave an interesting review of Chauncey M. DePew's book, "My Memories of Eighty Years." A pleasant social hour followed the program and the hostesses served dainty afternoon tea.

Annual Washington Affair at Woman's College

The annual Washington's birthday dinner and party will be held at the Woman's college this evening. All the students and members of the faculty will dress in colonial costumes for dinner and the gay Martha Washingtons and colonial gentlemen will make up a picturesque group for the party. The college dining room is to be prettily decorated for the occasion with lighted candles, and George Washington favors on the tables.

After dinner the party will adjourn to the college gymnasium where a program is to be presented by the faculty. The stately minuet will be danced in costume by Miss Beatrice Horbrugh, Miss Grace Tickles, Miss Olga Sapio and Miss Mildred Swanson. This dance is directed by Miss Nellie Boyd. While at dinner the guests will be asked to write some original poems and these will be read at the gymnasium by Mr. Pearson. A little playlet entitled "Blue Beard," will be presented under the direction of Miss Janette Powell.

A group of faculty members will dance the charming Virginia reel and this will be followed by a grand march in which all the guests will take part. The remainder of the evening will be devoted to dancing and music will be furnished by Miss Flo Dikeman and Miss Vivian DeWitte. Punch will be served during the evening.

Miss Beatrice Teague is the chairman of the faculty committee in charge of the program. The other members of this committee are Mrs. Marguerite Forrest, Miss Luha Hay, Miss Beatrice Horbrugh, and Miss Evelyn Anderson.

Earl Joel Rabjohns Celebrates Birthday

Wednesday was the seventh birthday of Earl Joel Rabjohns so a number of his little friends were invited to help him celebrate the event at his home on Prospect street. A peanut hunt, games and races made merry the hours which passed all too quickly. Substantial refreshments were served including a large birthday cake with seven candles.

The guests present were Fletcher Hopper, Boyd Haskell, Linus Udegren, Richard Maddox, Stanley I. Davis, Richard Bancroft, George Ticknor, Jimmie Heintz, William Smith, Clarence Massey, Noel Staff, Henry Dollear, Watson Teyman, and Walter Rabjohns, Jr.

Church Organizations

Grace Mission Body Met

The Woman's Home Missionary society of Grace church met Wednesday afternoon in the church parlors. The devotional services which opened the program were led by Mrs. T. V. Hopper. Miss Ida Lee was the program leader for the afternoon and she took as the subject of an interesting

talk, "The White Man's Mind." Mrs. C. A. Obermeyer sang a vocal solo, "My Faith in Thee," accompanied by Mrs. Thomas Hopper at the piano.

After the program the remainder of the time was spent in a social hour and the hostesses served afternoon tea. The hostesses at this meeting were Mrs. F. P. Phillips, Mrs. Hilda Ross, Mrs. Margaret Hamilton, Mrs. Fletcher Hopper, Mrs. Amos Swain, Mrs. J. E. Osborne, Mrs. G. W. Randle, Mrs. Helen B. Filson, Mrs. Maude Dial and Mrs. Ormsby Dawson.

According to a French statistician, the average man of 50 years has eaten 17,000 pounds of bread and 16,000 pounds of meat.

OBITUARY

Carrie Marie Roberts Hayes was born near Alsey, Ill., March 23, 1891 and departed this life at Jacksonville, Ill., February 16, 1923 at the age of 31 years, 10 months and 23 days.

She was the youngest daughter of Louis and Ellen Roberts, being the fifth child of a family of six children, of which two brothers, Harry and Elmer preceded her in death.

She professed a hope in Christ at the age of fifteen and united with the Alsey Baptist church, later transferring her membership to Manchester. Ever remaining a consistent Christian and always

willing and ready to help in the work of the Master.

She was united in marriage with George M. Hayes of Murrayville, Ill., Sept. 11, 1910. To this union three children were born, one son, Earl passed away at the age of five months.

The deceased is survived by her husband, one son, James Thomas, and one daughter Helen Louise. Her parents Mr. and Mrs. Louis Roberts of Winchester, two sisters, Mrs. Northrup of St. Louis, Mo.; Mrs. Claud Adams of Glasgow, one brother Ralph Roberts of Winchester; also a host of relatives and friends.

She was a loving wife, kind and affectionate mother and loved by all who knew her.

The book has closed on a beautiful life—A life in God's service

given. A place is vacant in a home, and a soul gone back to Heaven.

The only empty casket The form it holds is clay, When your work is done You can meet the one Whom to you was brightest day.

The your watching for them is over

And they cannot come home any more They are watching for you in Heaven, On that bright and beautiful shore.

The name "Jimpson weed" was originally "Jamestown weed," taken from the historic Virginia town where it was first introduced.

FRANKLIN

Mr. and Mrs. Kenneth Brewer and little son of Alton were here Monday to attend the funeral of Mrs. George Goacher, who died at her home in Holliday, Mo. early Sunday morning.

A Clean Scalp and Healthy Hair

Many of your friends have found that a luxuriant growth of hair—soft and glossy—and a scalp free from dandruff will result from the use of

Nyal's Hirsutone

This is the procedure—

Wash the hair with warm water and a pure soap—rinse thoroughly—rub the scalp with a stiff brush—apply Hirsutone—rub it in well and dry the hair before combing.

Please understand that Hirsutone is not merely a hair-wash—it is a tonic—a food.

While it thoroughly cleanses, it also prevents bacterial action—nourishes and stimulates the roots of the hair—removes all dandruff—prevents its return—and preserves the natural beauty and color of hair.

Nyal's Hirsutone should be on your dressing table. It sells at 60 cent and \$1.00 the bottle.

INTERESTING PROGRAM FOR "PEP" MEETING

Main Speaker Will Be Rev. Myron L. Pontius—Secretary Jenks of the Springfield C. of C. Also Will Speak.

An unusually interesting program is being planned for the big Pep Meeting to be held at the Chamber of Commerce on Monday evening, February 26. The principal speaker of the evening is Rev. M. L. Pontius, one of the most popular speakers in Jacksonville, and Charles E. Jenks, secretary of the Springfield Chamber of Commerce, will also be present and make an address.

A special letter has been sent out to each member of the Chamber of Commerce asking him to attend this big meeting. An attendance committee of 100 has been appointed and each of these men will be asked to call up five members of the organization and urge them to be present at Monday night's gathering. A crowd of enthusiasm is being manifested in the meeting.

In addition to the addresses by Reverend Pontius and Secretary Jenks, there has been an entertaining program of music and readings arranged. The Short Family is to give a program of musical numbers and Miss Frances Brown of the Exposition Department of Illinois Woman's College, has been asked to give a

group of readings. This program will be followed by a social hour during which ice cream, cake and cigars will be passed.

This event is a Pep meeting on Chamber of Commerce work in Jacksonville and other cities and marks the opening of the supplementary membership drive which will be staged by the local Chamber of Commerce on the two days following the meeting. Non-members are invited to attend this gathering. Each Chamber of Commerce member present at the meeting will be given the names of at least two prospects in the city who would make good members for the local Chamber.

POLICE LEARN OF TWO MINOR THEFTS

A freight car in the Chicago & Alton yards here was found broken open Wednesday morning. It is not known whether the car was entered sometime Tuesday night in this city, or whether it was set out here in that condition.

The contents of the car were checked up, and six 5 pound boxes of cheese were found to be missing. The theft was reported to the local police.

Some time Tuesday night a penny slot machine containing chewing gum was taken from the front of the Ethnie wholesale establishment. Police have thus far found no trace of the person who took the machine.

SEVERAL FIRE ALARMS YESTERDAY

The department responded to several fire alarms Wednesday but fortunately none of them resulted in much loss. At 7:52 o'clock Wednesday morning a run was made to the residence of W. T. Spiers 214 South Prairie street where soot was burning in a chimney. No damage was done and the services of the department were not needed.

At 8:30 o'clock sparks from a chimney set fire to the roof of the residence of Elmer Gary, 119 East Morton avenue. The blaze was extinguished with the chemical.

Sparks from a chimney set fire to the roof of the residence of John Ryan, 703 South West street about 11:45 o'clock Wednesday morning. The fire had gained considerable headway when discovered by Mrs. Tim Keating who lives next door. The department made a quick response and the blaze was put out with the chemical. The damage will be small and is fully covered by insurance.

MORGAN CONY BOYS RECEIVE INSTRUCTIONS

J. D. Bilsborrow Gives Lessons in Farm Accounting — Morning Meeting at Waverly, Afternoon Meeting Here.

Two successful meetings were held yesterday under the auspices of the Farm Bureau, when J. D. Bilsborrow of Urbana, assistant state leader of farm advisors, instructed Morgan County boys in farm accounting. The first meeting was held at 9 o'clock yesterday morning at the Waverly Township High School, Principal J. T. Dorris of the high school invited the Farm Bureau to hold the meeting at the high school building and M. R. Malsbury, instructor in agriculture at the Waverly high school, arranged the meeting. There were twelve young men from the Waverly vicinity present at this meeting.

The afternoon meeting was held at the Farm Bureau offices in Jacksonville and was attended by twenty-one boys from the Chapin, Murrayville and Jacksonville high schools. Agriculture instructor J. H. Loomis of the Jacksonville high school and Principal Lester S. Hess of the Chapin high school were also in attendance. At both of these meetings Mr. Bilsborrow gave some very excellent and comprehensive instruction in the methods of keeping farm books.

The boys who were in attendance at the Waverly meeting were George Thoma, Joyce McDevitt, John Gray, Earl Peacock, Kendall Hunt, Claude Stewart, Lowell McCracken, Olen Gotschall, all of Waverly. Those who were present at the Jacksonville meeting were John Acres, Jean King, Milton Riley, Ralph White, Glen Durham, and Ivan Riggs of Murrayville; Leland Bartelheim, Arlo Schumaker, Garland Perbix, Byron Stone, Alex Berry, John Anderson and Denice Brewer, all of Chapin; and Tom Buckthorpe, Clark Rawlings, Harold Kamm, Ed Moy, Wilbur Rowland, Vincent Davidson, Harold Campbell, and Daniel Hoover, all of Jacksonville.

INCOME TAX FACTS

No. 20.
To compute the amount of depreciation in the value of property, the taxpayer should determine the probable life of the property, then divide by the number of years in which employed. For example, a frame building, the probable lifetime of which is 25 years, cost \$5,000. Divide \$5,000 by 25 and claim \$200 each year as depreciation.

While each taxpayer may determine the probable lifetime of his property without regard to the following figures, it has been estimated that the average usable life of a frame building is 25 years; a brick building, 35 years; a stone or concrete building, 50 to 100 years.

When in the course of years the owner of property has claimed its full cost no further claim for depreciation will be allowed. Intangibles, the use of which in trade or business is definitely limited in its duration, may be the subject of a depreciation allowance. Examples are patents, copyrights, licenses and franchises.

Deductions for depreciation must be made as a separate item on the taxpayer's return, and must be explained by showing separately each class of property, its cost or value at date of purchase (fair market value as of March 1, 1913, if acquired prior to that date) depreciation charged off during the taxable year, and total depreciation charged off for prior years.

MORGAN COUNTY DENTAL SOCIETY

Met Wednesday in Chamber of Commerce Rooms—Address By Dr. J. R. Blayne.

A meeting of the Morgan County Dental Society was held in Jacksonville yesterday at the Chamber of Commerce Rooms. Dr. J. R. Blayne of Chicago, member of the Dental Department of the University of Illinois, made the principal address at the meeting which was attended by members of the dental profession from Morgan, Scott, Pike and Cass counties.

Dr. R. R. Buckthorpe of Jacksonville, president of the society presided over the morning's meeting, and made a short address. The regular business session was held and a number of matters relating to the work and organization of the society were taken up. Minutes of the last meeting were read by the secretary, Dr. W. C. Harper of Chandlerville. The committee in charge of the program for the day included Dr. W. B. Young and Dr. A. B. Applebee of this city.

At 10:30 o'clock Dr. Blayne read a paper on "Root Canal Treatment," illustrating his talk with lantern slides and making special reference to Clinical Results Obtained by different Therapeutic Procedures. The early part of the morning was spent in a visit to the Jacksonville State Hospital and the visiting dentists were conducted thru the different departments of the institution, including the Federal Vocational Training Center.

After the luncheon hour there was a table clinic which was conducted by a number of the local and visiting dentists. Dr. C. B. Sawyer gave a talk on "Root Canal Filling," illustrating his talk with X-Ray pictures. The subject of Mr. Blayne's afternoon address was "Mechanical Treatment of Cleaning and Enlarging the Root Canal." Dr. Blayne illustrated his talk with stereopticon slides and spoke in an excellent, comprehensive manner from his wide experience.

Those from out of the city who were in attendance at the meeting were Dr. V. C. Baldwin of Beardstown, Dr. E. B. Perry of Pittsfield, Dr. E. K. Blair of Waverly, Dr. J. W. Dace of Winchester, Dr. H. H. Hammond of Meredosia, Dr. W. C. Harper of Chandlerville, Dr. G. B. McKinney of Barry.

WHITE HALL TO HAVE
GARMENT INDUSTRY

New Garment Factory to be
located in White Hall by Wil-
liam F. Houchin of St. Louis—
will be in operation by March
One.

White Hall, Feb. 21.—The
structure fronting on Lincoln
street, between the tracks of the
C. & A. and the C. B. & Q. and
known as the Western Plant No.
5, is being improved and the in-
terior remodeled for the accom-
modation of a garment industry
that is being located by William
F. Houchin of St. Louis. Mr.
Houchin was former superintendent
of nine plants of the Star
Clothing Co., that went into the
hands of receivers last December.
He since has decided to get into
business for himself, and was in-
vited to White Hall by J. D.
Lowe. He was impressed and ne-
gotiations were then begun where
he has arrived at the point
where actual work of putting the
building in shape is in progress,
and the machines are to begin
arriving next week. He will in-
stall fifty machines at once, and
will increase the number to two
hundred. He says the machines
can be operated by boys as well as
girls, but that girls are more
adapted to such work.

The building 200 by 150 feet,
three floors, is located on a
six acre tract that has been pur-
chased by a large group of citi-
zens for the purpose of industrial
development in that section of the
city.

city. Ownership is vested in
Mayor H. W. Rodhouse and H.
O. Tumbun as trustees. Approx-
imately two acres of this tract
goes with the building to Mr.
Houchin at a basis of \$5,000. It
will be seen that there is yet a
considerable amount of ground to
be utilized as inducements for in-
dustrial development, while it is
possible to extend the holdings by
these trustees by acquiring the M.
B. Ross tract on the north that
will give a continuous stretch of
ground to the railroad junction.
In addition there is another site
west of the C. & A. track that is
offered by one individual, J. O.
Raimes.

This garment industry will be
made of sufficient importance to
bring White Hall out of the class
of being strictly a clay manufac-
turing town. Mr. Houchin has an
option on a tract to the west of
his factory, that he expects to
eventually improve as play-
grounds for his employees, and for
the purpose of beautifying the
premises. He lays great emphasis
on beautifying as an investment
that brings big returns, and his
plans along this line will likely
start a movement that may en-
courage the railroads to improve
their station premises and make
them more inviting, as well as
send encouragement to individual
property owners along this same
line.

White Hall is Growing.
In every way White Hall is get-
ting better. Industrial develop-
ment is not being emphasized to
the detriment of intellectual and
spiritual development. Various
lines of improvement gives a
broad and healthy aspect in that
there it at the same time with the
new factory going up a new high
school, larger church facilities
and the best public library struc-
ture in this section of the state.
A. Drummond has leased the new
Smith house on the east side of
North Main street, and will move
here from Glasgow, bringing his
broom manufacturing business.

The new garment factory will
be in operation March 1, with
fifty machines in order that a
contract may be carried out for
fifty thousand overalls for Per-
cussion & McKinney of St. Louis
which are to be delivered March
15.

The promotion of the interests
of White Hall along industrial
lines is not to gain numbers in
the city's population so much as
to conserve the resources of the
community. There are a number
of girls and boys who ought to be
given opportunity for employ-
ment. Mr. Houchin has been here
a great deal in recent weeks,
and says he is surprised at the
amount of labor available. Then,
again, the site is one that has
been abandoned since the West-
ern Stoneware Co., closed the
doors in 1912 and left the place to
the bats and owls. The premises
became most unsightly at a com-
mending view of trains and low
railroads that will be corrected in
this plan. Encouragement should
be offered Mr. Houchin by devo-
tees of the city beautiful in the
ranks of various organizations en-
gaged in artistic progress, which
includes the board of park com-
missioners.

White Hall's entry into this
new field of industry must be
credited to no little extent to Wil-
liam S. Dickson, whose long years
of service with garment concerns
as a salesman of machinery has
found him evaluating the new
White Hall field. He was in-
strumental in getting concerns
to make a favorable survey of the
field in the past, but the proposi-
tions were invariably turned
down thru improper handling
at this end. Mr. Dickson coun-
celled his friends in such matters
frequently, and this time the mat-
ter was handled with Mr. Houchin
in a quiet and strictly busi-
ness way. Mr. Houchin was sur-
prised to meet Mr. Dickson in
White Hall this week and learn
for the first time that White Hall
is the home town of Mr. Dickson,
long an acquaintance in the gar-
ment field.

Mr. and Mrs. Andrew Bird of
Hillview were in the city yester-
day calling on friends.

Market Report

WHEAT MARKET
IS DEPRESSED

CHICAGO, Feb. 21.—Free-
selling on the part of houses with
eastern connections had a de-
pressed effect in the wheat mar-
ket today and so did announce-
ment that yesterday for the first
time since the world war there
were no clearances of domestic
wheat from Atlantic and Gulf
ports. Closing quotations were
unsettled at the same as yester-
day's finish to be lower, with May
\$1.19 to \$1.19 and July \$1.15 to
\$1.15. Corn closed at 2c de-
cline to 2c and oats 1c to 2c
and provisions up 2 to 12c.

Altho wheat as usual of late
failed to find below 11c for May
delivery, the rally proved in the
market was a little more tardy to
appear than has been the case
generally and upturns proved
transient. A decline in Liverpool
quotations counted as a bearish
factor despite an offset in higher
rates for sterling exchange since
March 1.19. Slowness of export
business from the United States
was ascribed to increased offer-
ings from Argentina and Canada
and to predilections of large ship-
ping to Europe this week by
Argentina.

Forecast of a cold wave and
talk of improved demand for
flour in some sections, were of
some help to the bull side of the
wheat market at various times.

Attention also was attracted
by disturbing reports as to crop
conditions in western Kansas and
western Nebraska. The volume
of selling thruout the day was
sufficient to prevent the market
rallying even at best to more than
2c above yesterday's close.

Corn and oats were relatively
firm as a result of speculative
buying and the lightness of rural
offerings.

Higher quotations on hogs gave
strength to provisions. Cotton-
seed oil interests bought hard.

MILLERS BEST BUYERS
OF CASH WHEAT

CHICAGO, Feb. 21.—Millers
were the best buyers of cash
wheat today with prices easier,
premiums and discounts were un-
changed on all grades. Cash
sales were 20,000 bushels.

The seaboard reported 250,000
bushels of wheat taken for
Europe.

Corn was in fair demand with
prices lower. Trading bases
were unchanged. Shipping sales
were 60,000 bushels. The sea-
board reported 100,000 bushels
worked for Europe.

Oats closed easier in price
with trading basis unchanged to
be lower the latter for No. 2
white. Cash sales were 50,000
bushels.

Sales of 100,000 bushels were
made to go to store here.

MRS. HARVEY CONLEE DIES NEAR WAVERLY

Death of Well Known Resident of County Came Wednesday Afternoon—Arrangements for Funeral Not Complete.

Waverly, Feb. 22.—Mrs. Harvey Conlee passed away at 2:30 Wednesday at her home, six miles southeast of Waverly following an illness of ten days from pneumonia. The family was preparing to move to Springfield and had the household goods packed when Mrs. Conlee became ill.

Deceased was about 45 years old and was born near Waverly, where she spent her entire life. She was before her marriage Miss Mary Barrow.

Surviving are the husband, one son, Alan at home, six miles southeast of Waverly, and Mrs. Win Barrow of Waverly.

Funeral arrangements have not been made.

The funeral will be held at 10 o'clock Saturday morning from the Rehner M. E. Chapel in charge of Rev. C. W. Andrews. Burial will be in East cemetery at Waverly.

S. A. Teehey, auditor of the Illinois Telephone Company was a business visitor in Manchester Wednesday.

LOCAL MAN DIES IN DECATUR HOSPITAL

Funeral services were held Sunday over the remains of W. A. Williams formerly a resident of Decatur, but for the past two years of this city. Three weeks ago Mr. Williams was called to the bed side of a sick brother in the Macon county city. It was at that time that he himself took sick with pneumonia. He was removed to a hospital where death took place on last Saturday.

The deceased is survived by his wife and two daughters: Mrs. William Hughes and Mrs. Smith, both living in Pontiac. Mrs. Williams is a daughter of Mr. and Mrs. Joseph Ramsey who formerly lived on North Church street. Mr. Williams, who was seventy years old at the time of his death, worked for nearly two years in the upholstery shop of C. R. Massey on West Court street. Quite recently he took a position as bookkeeper with the Gravel Springs water company.

ELKS CHORUS CONCERT

Reserved seat sale begins Saturday, February 24, at 9 o'clock.

Sale will be from office of W. A. Berryman, 201 1/2 W. State St. (under Farrell State Bank).

Reservations may be made by phone but positively no reservations will be held after noon on Tuesday, February 27. Phone 1331 or 1355.

Rev. E. F. Tonn was chosen chairman and J. H. Volmers, secretary. Reports were read from all congregations on money raised for synodical purposes. Theodore Eckhardt of St. Louis, the general financial secretary of the synod, was present and made some interesting talks on the general financial condition of the synod, and the new million and a half seminary soon to be built in St. Louis.

Wednesday evening a communion service was held. Rev. Mr. Vathauer gave the preparatory address and Rev. Mr. Hein preached the sermon.

WABASH HAS BIG MONTHLY PAYROLL

That the Wabash railroad has a vast army of employees is shown in the following from the Decatur Review:

In the year 1922, the Wabash employed a monthly average for the year of 13,573 people according to safety department statistics recently issued and in the month of December, 13,329 were being employed. During the year a total of 1,428 of these sustained injuries, some only minor and some fatal, a percentage of 10.52 injured which is slightly higher than the figures for the previous year.

On the Decatur division, not including the mechanical department here, 1,658 were employed for the year while in the mechanical department, 1,597 were employed. On the division, 224 suffered injuries or 13.27 per cent of those employed while in the mechanical department there were 201 injuries or a percentage of 13.34.

For December alone there were 1,562 employed or a little less than the average for the year while there were 1,984 in the mechanical department for the month. However, this figure includes clerical forces in the mechanical department, also shop laborers.

"An Arizona Cowboy," 4 act comedy, to be presented by Murrayville Rebekah lodge at high school here tonight. Adults 50c, children 35c, no reserved seats.

MAUSOLEUM HEAD HERE ON BUSINESS

D. B. Carrithers, president of the Valley Mausoleum company is in the city on connection with the proposed building of a mausoleum in Diamond Grove cemetery.

Some months ago Mr. Carrithers' company secured an option on land in the local cemetery and it is planned now to start securing subscriptions for crypts in order that the structure can be erected. It is the intention to establish an office here and a force of men will begin at once the securing the necessary number of crypts before the actual work is begun.

AGED RESIDENT OF MURRAYVILLE DIES

Mrs. Mary Ellen Crouse Passed Away Wednesday Afternoon at Age of 81 Years—Funeral to Be Held Friday Afternoon.

One of the oldest residents of Murrayville community, Mrs. Mary Ellen Crouse, passed away at 12:15 o'clock Wednesday afternoon at the home of her son, Dean Crouse, southeast of Murrayville. Mrs. Crouse had been seriously ill for a number of days and her condition was such that death was not unexpected.

The deceased was born on a farm near Jacksonville February 1, 1842, and spent all of her life in Morgan county. She was for many years a resident of Murrayville, but for the past few years had resided with her son southeast of Murrayville.

The husband of the deceased, Thomas Crouse, passed away fourteen years ago. Three children also preceded their mother in death, Olin, Marion and Cynthia. One son, Dean Crouse, survives, together with nine grandchildren and two great-grandchildren. There are also two sisters, Mrs. H. E. Harrison, of Jacksonville and Mrs. L. C. Crouse of Lowder, Ill. Two brothers are deceased, E. J. Fox of Jacksonville and N. B. Fox of Sinclair.

Mrs. Crouse was a member of the Murrayville M. E. church and was a woman of fine Christian character. Her life was one of great usefulness and unselfishness and many were there who knew the unusual quality of her friendship.

The funeral will be held at 2:30 o'clock Friday afternoon at the Murrayville M. E. church, and interment will be in Bethel cemetery.

MANY LOCAL MUTES ATTEND RECEPTION

Col. and Mrs. O. C. Smith Give Pleasant Party Wednesday Evening, With Assistance of Several Members of Faculty and Senior Class of I. S. D.

Col. and Mrs. C. O. Smith entertained a large number of the deaf inhabitants of this city at the school for the deaf Wednesday evening. Various games and contests were in the color scheme of red, white and blue. Refreshments were served by seven of the senior girls of the school for the deaf, who were dressed in the Martha Washington costume.

Assistant hosts and hostesses for the occasion were: Mr. and Mrs. T. V. Archer, Mr. and Mrs. Frank Mather, Mrs. L. W. Welsh, Miss Ida Strupp, Miss Sadie Thorensen, Miss Grace Hazenstab, Miss Ruby Molohon, Miss Opal Coffman and E. C. Brasel. The punch was served by Miss Beatrice Hazenstab of Illinois Woman's college.

SENDS RESIGNATION TO GOV. SMALL

Col. O. C. Smith Retires as Judge of Benton, Illinois, City Court.

Gov. Small has accepted the resignation of Col. O. C. Smith as judge of the city court at Benton, Ill. Col. Smith was elected to that post more than eighteen months ago and has continued to serve while he has been managing officer at the Illinois state school for the deaf. The court convenes quarterly and the sessions last for about a week.

In the past six months Col. Smith because of demands upon his time at the school for the deaf has found it difficult to spend the days needed in Benton, and therefore filed his resignation Governor Small and asked that it be accepted. This action was timed in such a way that a special election will not be necessary to fill the vacancy. Col. Smith has filled the Benton judgeship very acceptably.

WOULD GET EXPERT TO MAKE CITY PLAN

W. F. Hardy of Decatur Commission Speaks to Local Plan Body—Tells of Steps Taken in Securing Plan and Its Workings.

The employment of a city planning expert was recommended last night to the Jacksonville City Plan Commission by W. F. Hardy, president of the Decatur City Plan Commission. Mr. Hardy held an informal discussion with the members of the commission here, following a dinner at the Peacock Inn. C. Y. Rowe presided as chairman of the meeting and introduced the speaker.

Mr. Hardy asked those present if they had found anything regarding city planning in Jacksonville in the various books on the subject which they had studied. He pointed out the necessity for getting a vision of the future city and the features in which would involve, a vision which cannot be secured by going at the matter in a haphazard manner and from the point of view of the members themselves.

"A city plan," said Mr. Hardy, "is a means of making a city a convenient place in which to live and in which to get about. Cities, if allowed to grow up without a plan, do not arrange themselves conveniently, but the element of selfishness enters into the building of the city, as it does into the forming of a corporation."

"The necessity for convenient ways of reaching every part of a city causes the planning of streets. Jacksonville is now built on a checker board plan. If your city grows and this type of expansion continues, this arrangement will become very inconvenient. No doubt a plan commission could do the work of putting into effect a city plan thru its own efforts. The park board could offer suggestions for the park and boulevard system. Local engineers could give advice as to sewers, etc."

The speaker then described the steps taken by the Decatur commission. Hardy a week had passed after its organization until a competent city planner had been engaged. He worked for a year on the Decatur plan, aided by the commission in any way possible, and giving frequent reports of his progress. The expert's first work was to make a map of the city, as it was found that all existing maps were incorrect. A topographical map of the city was then made. Finally the expert drew a map of the city as it is to grow and develop, providing for a population of 150,000.

Mr. Hardy gave many illustrations of the workings of the city plan in Decatur. He told of the project to beautify the big lake by a park strip, and the work of securing the co-operation of the land owners along the lake in this movement. It is expected to so raise the values of the land owned by the small farmers that they will be able to part with their holdings. The city plan has set the region apart as a high class residential section of the future.

At the close of Mr. Hardy's address, Dr. J. R. Harker made a plea for a diversified city of Jacksonville. He stated that it will be necessary for the city to grow along business roads, as well as educationally.

Mr. Hardy, who is editor of the Decatur Herald and president of the city plan commission, studied the subject for some time, having inspected cities in Europe and America which were building upon a plan. The proposition was discussed in Decatur several years before a plan commission was organized.

WABASH MUST PAY THE HIGHWAY TAX

Supreme Court Upholds Morgan County Court Finding—Road Objected to Paying Tax For Maintenance of State Aid Roads

The supreme court of Illinois yesterday affirmed the finding of the Morgan county court and declared that the Wabash Railroad Co. must pay the county highway tax of 25c on the \$100 of valuation. This is a tax levied by the county commissioners for the maintenance of state aid roads.

Last spring the Wabash declined to pay this tax, questioning the authority of the Morgan county commissioners to make the levy. The suit was brought before Judge Samuel in the county court the title of the suit being the people ex rel vs. W. H. Weatherford, sheriff and collector, against the Wabash Railroad Co.

The finding of the lower court was in favor of the county and the case was appealed by the Wabash to the appellate court. Now the finding of the supreme court affirms that of the county court and the railroad must pay the taxes withheld.

FALSE FIRE ALARM.

About 11 o'clock Wednesday night the fire department made a useless run to the southeast section of the city. Someone became alarmed at the presence of smoke, and a fire was reported at 223 South Clay avenue. It proved, however, to be a false alarm, as the firemen could not find no trace of the conflagration.

ATTENTION K. of C. Regular meeting tonight. Business of unusual importance. Big attendance desired.

TICKETS FOR HOOP TOURNAMENT OUT SO

Meredosia Enters Players—On Town Schools Ask For Tickets

Reserved seat season tickets for the district basketball tournament to be held here will be on sale the first of next week, according to an announcement yesterday. The prices will be same as last year, \$2.50 for students and \$3.00 for outside. This custom of reserving all seats and selling only as many tickets as there are seats was inaugurated last year by Superintendent Shaffer and proved very satisfactory.

Several participating cities have asked that tickets be set at the same as last year. Waverly and White Hall had the largest quota last year and have asked for a liberal supply again this year. These tickets will be made this coming Saturday.

Meredosia's entries were received yesterday. The players entered are: R. Skinner, A. Hyde, Yeakel, T. Bushnell, H. W. W. Butcher, and T. Boyd.

A majority of the teams have already made reservations as past years the custom of waiting to attend to this on reaching here has not proved satisfactory.
